

**Practices: All**

**Duration: 1<sup>st</sup> October 2019 to 31<sup>st</sup> December 2019**

**Promotion: £100 off a spare pair of glasses.**

#### **Details**

- 1.** To qualify the patient pays for a complete pair of glasses at full price with the frame chosen from the £120 range or above (the qualifying pair).
- 2.** Once qualified for the offer the patient can then receive upto £100 off a new second complete pair of frames and lenses.
- 3.** If the qualifying pair is single vision for distance, intermediate or reading then the second pair must be to the identical prescription as the first pair.
- 4.** If the qualifying pair is varifocals then the second pair may be varifocals or single vision glasses to the distance, intermediate or near vision prescriptions.
- 5.** If the qualifying pair is bifocals then the second pair may be bifocals or single vision glasses to the distance or near vision prescriptions.
- 6.** The lenses in the second pair must not cost more than the lenses in the qualifying pair.
- 7.** In the event that the total price of the second pair is less than £100 then there is no cash refund on the difference.
- 8.** Should the second pair of lenses be glazed into the patients own frame then the discount is reduced to £65.
- 9.** This offer is strictly not valid with any other offer.
- 10.** Offer ends 31<sup>st</sup> December 2019.
